Notice on Accredited Webinars beyond CPD Year 2022

Effective Date: 1 January 2023

Last revised: --

- 1 Further to the [SILE Notice on Accredited Webinars in CPD Year 2022](#), eligible webinars run by the organisations listed in the Annex will continue to be eligible for accreditation by the Singapore Institute of Legal Education ('SILE') until further notice. The policies on accreditation of webinars may be modified at any time in the appropriate circumstances.
- 2 Accredited webinars will be listed in the Calendar of Accredited Learning Activities ('CALAS') at <https://www.silecpdcentre.sg/calas/>. If an Accredited CPD Activity is being delivered in a webinar format, the event title will include the descriptor '[WEBINAR]'. CALAS will be updated progressively, as and when webinars are accredited by SILE.
- 3 Please note that the SILE [Attendance Policy](#) applies to attendance at webinars. SILE recommends that lawyers check that they have a stable connection to the webinar platform before the webinar commences. They may also consider planning to connect to the webinar earlier than the published start time where possible.
